

# WELL EQUIPPED TO MEET REPAIR, CERTIFICATION AND RENTAL NEEDS.

Your team depends on its safety equipment. So when your safety equipment requires repair or certification, AGI Technical Services is ready to assist. You can reach us in two convenient ways:

 **CALL:** 1-888-602-0000, option 5

 **EMAIL:** TSIREAST@agi.ca or  
TSIRWEST@agi.ca

 **MOBILE:** Available in select markets only.

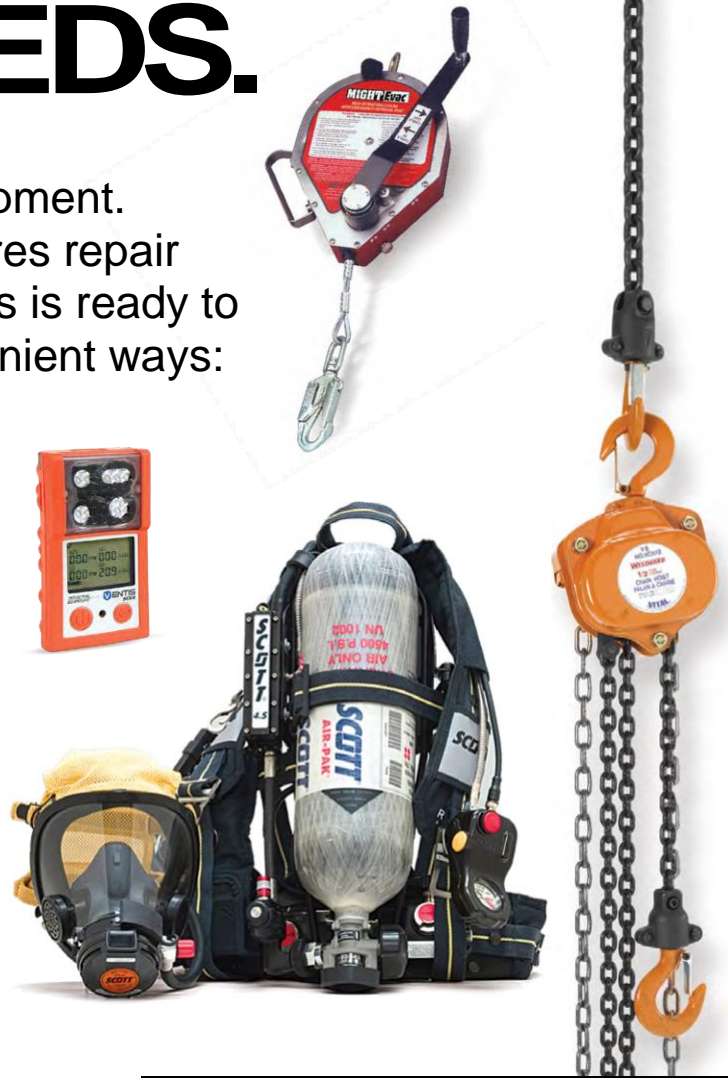

## Technical Services

SAFETY EQUIPMENT REPAIR, MAINTENANCE & CALIBRATION

**ACKLANDS  
GRAINGER®**

INDUSTRIAL  
SIZED  
SOLUTIONS

acklandsgrainger.com

## Call 1-888-602-0000, push 5, then 1

- The agent will email a bill of lading to attach to your shipment

## Email directly

- For additional information about our services, how to ship your products to AGI or information about your orders, you can email Technical Services:
- [TSIREAST@agi.ca](mailto:TSIREAST@agi.ca) – If your shipping address is located in ON, QC or Atlantic Canada
- [TSIRWEST@agi.ca](mailto:TSIRWEST@agi.ca) – If your shipping address is located in BC, AB, SK or MB

## Call for mobile service

- Mobile service is available in select markets only. For details speak to your Account Manager or call 1-888-602-0000, push 5, then 3 to speak to a Technical Services Representative.
- The agent will discuss your requirements and schedule an appointment
- We recommend calling four to six weeks prior to the certification expiry date to ensure you remain in compliance.
